What To Do When
Your PTT Isn't Working

- Determine the defect or issue from the PTT inspection or during use.
- Immediately notify your supervisor or manager.
- Supervisor or designated person will review the defect/safety issue to determine if the equipment is unsafe to use/operate.
- The Supervisor or designated person will place the PTT "Out of Service" or Red Tag, on the equipment.
- The Supervisor will log the defect/safety issue for service/repair.

Note: Never red tag MBE that has no defect. If the issue and you are caught doing so, disciplinary action will immediately occur.
